Product Family: Most Ariens and Gravelly Branded Products

Subject: Expanded Warranty Policy

Dealer Action: Review and Apply as Necessary

Beginning January 1, 2011, a new warranty statement was released introducing a three-year warranty policy for the consumer use of most Ariens and Gravelly products.

Highlights of the change include:

- Ariens and Gravelly consumer mowing products are now covered by a three-year consumer warranty. The warranties for 936-series lawn tractors and 961-series 21-inch walk behind mowers remain the same at two years.
- Gravelly commercial mowing products put into consumer use are now covered by a three-year consumer warranty.
- Ariens and most Gravelly chore products (log splitters, brushes, string trimmers and edgers) are now covered by a three-year consumer warranty. *The warranty for 901- and 902-series tillers remains the same at two years.*

Since the new warranty policy applies to products that dealers carried over from previous years, it is necessary to apply a warranty code for previously produced models. Following is a list of recently sold products with the warranty code that will apply on these models retailed after January 1, 2011.

If you have any questions on this policy change please contact Ariens Company Technical Service at 920-756-4688.
