PARTS & ACCESSORIES GUIDE

ALWAYS PART OF THE FAMILY

This catalog is so much more than just an endless sea of model and serial numbers and endless scrolls of part numbers on a page. It's the key to maintaining the Ariens ownership experience. It's a proof point that what we sold you wasn't a bill of goods. It's more than just a machine. This really is what we're made of.

It's not enough to have our machines run right. We want each and every one to run, feel and perform like an Ariens. We want to maintain the optimal ownership and dealership experience for as long as you and your customers are a part of the family. The right accessories, attachments and quality OEM parts create additional sales opportunities, higher margins, and a reason for your satisfied customers to make a return visit.

As you and your customers have come to expect, the majority of our parts are manufactured at our Brillion, Wisconsin facilities, and whenever possible, our supplies are sourced from an American company. We build with local pride, so you can sell with pride.

From accessories and added features, to genuine parts and general maintenance, this commitment to comprehensive care and quality is as strong as Ariens steel.

It's the added value that comes with being part of the Ariens family.

SEAT ISLATOR KIT

79106900

For use on Apex & ZT HD. (MY2017).

SEAT SPRING KIT

79107000

Increases spring tension and rider comfort for smaller operators. For use on APEX and ZT HD models. (MY2017).

LIGHTING

Busy people may not always have time to mow their lawns in bright sunlight. There are times toward the end of the day or when clouds are rolling in that the lawn needs to be mowed, bright sunlight or not. Ariens and Gravely mowers can make the most of daylight by making short work of mowing, but in low light conditions a Light Kit is a very helpful tool.

DUAL 55W HALOGEN LIGHT KIT

71504100

For use on Zoom/ZT models.

LIGHT KIT

71509400

TIRE & WHEEL

BAR TIRE/RIM

Bar style tires offer improved traction on rugged terrain.

79200700 AG STYLE 23 X 10.5

Rim offset inside is 6.5". For use on Pro-Master 100 and Pro-Turn 100 models.

79205200 AG STYLE 24 X 12-12

For use on Pro-Master 200 and Pro-Turn 200 and 400 models with 60" and 72" decks.

FRONT SOLID TIRE

79214300

Set of two (L & R) 15" Semi-Pneumatic Tires with ½" thick walls to resist flats. For use on all Gravely Pro-Turn 200 and PM 100 and 200 models.

SMOOTH SOLID FRONT TIRE

79105200

Set of two 13" solid front tires. Includes new mounting hardware and wheel spacers. For use on Pro-Turn 100 models.

RADIAL TIRE KITS

Radial tires provide better tread contact with the ground than standard base tires. Benefits include increased traction, greater ride comfort and increased service life.

79215200

24x12-12 Tire. For Use on PT260 & PT272 models

79215300

23x10.5-12 Tire. For Use on Pro-Turn 100 models and Pro-Turn 252 & 452 models.

LM WHEEL

Pushing and turning a mower can mean a great deal of work. Why wear yourself out unnecessarily? The Swivel Wheel Kit replaces the fixed front wheels of your mower with wheels that turn and pivot independently.

Turning the mower without having to push down on the handlebars relieves pressure from your hands and shoulders, which makes mowing an easier, less stressful job.

71104100 SWIVEL WHEEL KIT

For use on steel deck 911 series LMs (except Blade Runner Series).

71103900 STRAIGHT AXLE CONVERSION KIT

Converts a swivel wheel unit to a straight axle unit. For use on steel deck 911 series (except Blade Runner series).

DECK LIFTS

Make accessing your mowing deck a breeze with the Lift Master® or the Electric Deck Lift. These lift units allow you to quickly get to the underside of your mower to sharpen your blades, clean out grass that may have collected on the deck shell or baffles, or even to install a mulch kit. Whatever your needs, the Lift Master® and Electric Deck Lift will help you get the job done quickly.

LIFT MASTER® SERVICE JACK

DISCHARGE COVERS

DISCHARGE COVER KITS

A formed metal plate or plates block off the discharge area of the deck and re-directs discharge of debris into the grass. This makes for better mulching, a safer mowing experience and allows the operator to trim on both sides of the deck.

OPERATOR CONTROLLED CHUTE BAFFLE KITS

The Operator Controlled Chute Baffle is specifically designed to fit most Gravely X-Factor decks. This discharge chute kit offers the operator the ability to quickly control the flow of side discharged grass clippings on the fly. By operating a simple spring loaded control handle, a baffle plate is dropped, covering the deck's discharge opening, preventing grass clippings from being spread across walkways, flowerbeds and other unwanted areas. The baffle can be quickly raised allowing the mower to regain its side discharge operation. All this while leaving the rubber discharge chute intact so that safety and ANSI compliance are not compromised.

MULCH KITS

Easy to install baffles fit under the deck to create a separate cutting chamber for each blade. With each pass the mower lifts grass into the cutting chamber where the clippings get cut many times before dropping onto the lawn. The small grass clippings that result return nutrients to your lawn while keeping your yard looking professionally manicured time after time.

LOG SPLITTER ACCESSORIES

LOG SPLITTER TAIL LIGHT KIT

Give yourself enhanced visibility to those traveling the road with you. The Log Splitter Tail Light Kit provides rear lighting visibility and fulfills trailer lighting required by some state DOT's.

71701300

For use on Ariens 22, 27 and 34 ton log splitters.

71703300 LIGHT BRACKET

For use on Ariens 22 ton log splitters.

LOG SPLITTER LICENSE PLATE HOLDER

Mount a license plate or personalized novelty plate to your log splitter with the Log Splitter License Plate Holder. It is designed with durability in mind and includes a light for enhanced visibility.

71701400 (requires 71701300)

For use on Ariens 27 and 34 ton log splitters.

71703200 (requires 71701300)

For use on Ariens 22 ton log splitters.

TORSION AXLE KIT

Improve your log splitter's towing stability when it's being towed over uneven roadways and paths. This kit is also equipped with independent suspension that absorbs shock and keeps the log splitter from bouncing.

71703500

For use on Ariens 27 and 34 ton log splitters.

LOG SPLITTER HYDRAULIC CYLINDER HANDLE

This Log Splitter Hydraulic Cylinder Handle provides a convenient and cool grasp location for converting the log splitter between horizontal and vertical operating positions.

71701800

For use on Ariens 27 and 34 ton log splitters.

FENDER KIT

Protects the log splitter wheels from falling wood debris and also protects your vehicle from road debris while towing your log splitter.

71703000

For use on Ariens 22 ton log splitters.

LOG SPLITTER JACK STAND

Helps support the tongue of your Log Splitter when uncoupled from the tow vehicle. Side-mounted crank with a comfortable grip easily raises and lowers the jack.

71702200

For use on Ariens 27 and 34 ton log splitters with serial numbers under 11,000.

71703400

For use on Ariens 27 and 34 ton log splitters with serial numbers above 11,000.

LOG SPLITTER MUFFLER GUARD

Protects the engine muffler against damage from wood and debris.

71701900

For use on Ariens 27 and 34 ton log splitters.

LOG SPLITTER ACCESSORIES

LOG SPLITTER TABLE

Increase your workspace with this sturdy Ariens Log Splitter Work Table. This is an excellent addition to your log splitter to provide additional space for staging logs that need further splitting or any other necessary items or equipment.

71702900

For use on Ariens 22, 27 and 34 ton log splitters.

LOG SPLITTER COVERS

Protects from rain, snow, sun damage, dust, tree sap and birds when splitter is stored or on the job. Heavy-duty polyester fabric is coated for maximum water resistance and repellency and will not shrink or stretch.

71701500 ENGINE COVER

For use on Ariens 22, 27 and 34 ton log splitters.

71702000 LOG SPLITTER COVER

For use on Ariens 22, 27 and 34 ton log splitters.
